Sir,

SUB: Education - Fisheries Schools - West Coast - Teachers - temporary sanction - renewal - Proposals - submitted.

REF: 1) G.O.No.2097, Development, dated 25-5-1950.
2) G.O.No.4668, ,, " 16-9-1949.
3) G.O.No.1471, ,, " 12-4-1950.
4) G.O.No. 58, ,, " 5-1-1950.
5) G.O.No. 60, ,, " 5-1-1950.
6) G.O.No. 87, ,, " 7-1-1950.
7) G.O.No.1469, ,, " 12-4-1950.

In the G.Os. cited, sanction was accorded for the continuance of the temporary teachers of permanent and temporary fisheries schools in the South Kanara district. The names of the various schools in which the teachers are employed, with dates of sanction etc., are furnished in annexures A and B. Annexure C shows the classwar strength and average attendance for the months of September, October and October and November, the strength that is expected in June 1951, the total number of teachers sanctioned and the total numbers of classes in the permanent schools. Annexure D shows similar particulars in respect of temporary schools.

It may be seen in Annexure A that the temporary posts of teachers last sanctioned are 5 Secondary and 24 Higher Elementary. But the sanction now requested for 10 in regard to 6 Secondary and 23 Higher Elementary Grade teachers. The purpose of 6 Secondary teachers in the place of 5 Secondary teachers sanctioned previously is to convert one of the Higher Elementary post of Kizhur School into that of a Secondary Grade. The total number of teachers in the Kizhur school is 5 (2 permanent and 3 temporary). According to rule 1(c) on page 23 of the Madras Education Manual of 1940, the Head Master appointed after 1st October 1939, to an Elementary School with four or more teachers on the staff should hold a trained teachers certificate of the Secondary Grade. As such the conversion of one of the Higher Elementary Grade teachers post in the said school to a Secondary Grade post is essential.

In annexure B there is no change in respect of the posts of teachers requested for renewal. Further continuance of the 16 secondary grade teachers and 62 higher grade teachers is necessary.

The particulars furnished in annexure C and D in respect of the strength and average attendance of the schools show that the further retention of the staff is quite essential. As such I request that sanction may be accorded for their continuance till 31--3--1954.

for Director of Fisheries.
